

LSI Awarded Subcontract to Support ARMY PM Soldier Survivability (PM SSV)

Washington, DC – May 19, 2020 – LSI, a leading provider of professional services to government organizations today announced the award of a subcontract with DCS Corporation to support ARMY PM Soldier Survivability (PM SSV). As a subcontractor to DCS, LSI will support the development, fielding and training of advanced Soldier protection products for Project Manager Soldier Survivability (PM SSV), a subordinate organization to Program Executive Office (PEO) Soldier.

“This agreement with DCS give us an opportunity to support the important work of PM SSV as they provide Soldiers with advanced protection products, uniforms, and parachute systems.” said Keith Cromack, LSI Sr. Vice President Business Development. “LSI is proud to partner with DCS, in support of Soldiers as they complete missions that span the full spectrum of military operations.”

About DCS

DCS offers advanced technology, engineering, and management solutions to Government agencies in the national security sector. The transformative ideas, commitment to quality, and entrepreneurial spirit that characterize their employee-owners allow them to ensure the success of each customer's mission and actively contribute to the well-being of the Nation.
